Les règles du jeu

2 à 5 joueurs

Jeu 1

On pose une carte au milieu de la table, face visible. Puis, on distribue toutes les cartes équitablement entre les joueurs, qui en font un tas, face cachée.

Au « top », tous les joueurs retournent la carte au-dessus de leur tas, face visible, devant eux.

Le but est de trouver une paire « multiplication / produit (résultat) » entre sa propre carte et celle du milieu. Si on a trouvé une paire, on pose sa carte sur le tas du milieu et on en retourne une autre.

Le but du jeu est de ne plus avoir de cartes.

Les règles du jeu

2 à 5 joueurs

Jeu 2

On pose les cartes sur la table pour faire une pioche et en distribue une par joueur, face visible. Puis, on retourne une carte issue de la pioche au milieu.

Le but est de trouver une paire « multiplication / produit (résultat) » entre la carte d'un autre joueur et celle du milieu. Si on a trouvé une paire, on nomme le joueur concerné et on lui donne la carte du centre. Puis, on en retourne une autre de la pioche et on recommence.

Le but du jeu est d'avoir le moins de cartes.
